**Pua** and I just wrapped up the 4th of our MTB Clinics and Ellsworth Demos in Georgia before the big race this Saturday in Tennessee (Cohutta 100). We met so many great people and had the best turn outs ever! Thanks so much to Ellworth, Ergon, Pedro's, Control Tech, Infnit Nutrition & Innovations for donating such cool schwag for these events! Special thanks to SORBA, RAMBO, SORELLA, Outspokin Bikes & PeachTree Bikes for helping spread the word and helping to make all of these events so much fun! Check out the pics below.
