

Avalon Cycles Raises Money to Support Tara Llanes

Avalon Cycles, Ellsworth's Authorized Dealer in the Baltimore area, is raffling off a custom Ellsworth Roots CX complete bike to raise money to support the Tara Llanes Heart of a Champion Road to Recovery Fund. Tara, an accomplished BMX and MTB racer, suffered a severe injury that left her partially paralyzed while competing in the 2007 Jeep King of the Mountain finale in Beaver Creek, CO.

The Roots Cyclocross frame was built up by Avalon as a single speed commuter bike and tickets are \$5.00 each. The drawing will be held after 250 tickets are sold. "Avalon Cycles is proud to support Tara. Tara is a tremendous athlete and person; this is the least we can do to help with her road to recovery." Said Gary Lessner, shop manager at Avalon.

The winner will be posted on www.AvalonCycles.com

All proceeds go to the Tara Llanes Heart of Champion Road to Recovery Fund. For more information or to make a donation, please visit: <http://www.tarallanesroadtorecovery.com/>
