

## Ellsworth Grassroots Racer Heidi Shilling Wins the Women's Sport Class at the Ohio Mountain Bike Championship Series

05.21.08

After a night of heavy rain at The Wilds Conservation Center Heidi Shilling plowed her Project Pink Truth through the thick mud on her way to the podium for a victory in her class. It was the first Grassroots win of the season for Ellsworth and the first in the new 2008 jersey. Congratulations to Heidi on her success and efforts. Her next major race will be on June 7 at the Suzuki 24 Hour national Point Series in Big Bear, WV
