06.11.08

Heidi Shilling and Liz Baumgardt-Kays continued their streaks of top 3 solo finishes by placing second and third respectively in the Suzuki 24 Hours of Big Bear in West Virginia. Heidi and her Project Pink Truth was coming off a win at the last Ohio MTB Series race and Liz had just finished second in the Suzuki 24 Hours of Conyers, GA.

The course held true to its WV roots by providing the racers with a rocky, muddy and sometimes slick challenge for the entire race.

In the Men's Solo class, Tinker Juarez was the overall winner and Ellsworth solo rider Joe Allgood placed eighth out of 25 racers on his new Truth. It was Joe's first race on his Truth after winning the frame at the IMBA silent auction during the Conyers race.

Next up for the Ellsworth crew and racers is the Suzuki 24 Hours of Killington in Killington, VT on July 26. For more information, visit www.grannygear.com
