

### ELLSWORTH

A longtime player in the world of mountain bikes, Ellsworth has actually made road bikes for some time. The 940-gram Ellsworth Coercion frame is available in four sizes with three complete build options, starting with the SRAM Rival model at \$3995. ### PANTANI CORSAIR

The Pantani is a tribute to the famous Italian cycling great, Marco Pantani. The monocoque carbon frame has a tapered head tube with an integrated headset and aero-profile integrated seatpost. \$3695. [www.redroseimports.com](http://www.redroseimports.com)

### SETTE FORZA ELITE

Look for a complete line of competitively priced Sette road bikes for 2011, which includes the carbon Forza Elite. The Forza is spec'd with a full Shimano Dura-Ace group and Mavic Cosmic Carbone wheels, 3T stem and handlebar and a Fizik Arione saddle. All that for \$4400. Available in four sizes.
